Rite of Passage (ROP)

Website: www.riteofpassagemex.com

Email: luis@riteofpassagemex.com, or contact@riteofpassagemex.com

Contact Person: Luis Ortega

Phone: (619)872-1882, +52 646-139-7363

Location: Ensenada, Baja California Mexico

Cost of Treatment: From \$10k, 15k, \$20k. Cost of treatment varies depending on type of addiction and the extent of that addiction (severity).

Length of Treatment: Minimum stay is 15 days, also 21-day option and 30-day options. There are optimal lengths of treatment based on a person's particular addiction. Owner Luis Ortega does a variety of treatments, both before and after the Ibogaine Treatment.

Client Capacity: 1-3

How Long with Ibogaine: Six Years.

Fatalities: Zero, No medical emergencies.

Who do they use for Aftercare? Higher Path Living in Las Vegas, Nevada. Rite of Passage suggests that you should plan for an aftercare program or psychological therapy, and if possible, that uses a holistic approach.

Medical Supervision: Yes, and hospitalization for high risk cases.

Screening Process: Lab tests, full blood tests, liver panel, EKG and Cardiologist examination, medical examination and psychological counseling. (Cigarette smoking is not allowed, and you will be detoxed from nicotine if that is needed. If after all the medical examinations, we see that you are not a candidate for Ibogaine treatment, we will immediately disclose the reason why, and provide you with any available options that we might have.)

Transportation: Most clients from the United States prefer to fly into San Diego, then get picked up by Rite of Passage staff and driven to Mexico.

Addictions treated: Opiate based medications, Heroin, Cocaine, Methamphetamine, Marijuana, Alcohol, Methadone, Suboxone, Benzodiazepines, and others. Treatment protocols vary depending on the type of addiction, extent of drug use and general health.
