Screening Process: The Avante Institute pre-screens all guests prior to treatment to ensure their optimum health and safety. Perspective clients must complete an Admissions form, Lab request form and a Beck Depression Inventory.

Transportation: All United States citizens flying from the U.S. to the Bahamas must have a valid passport to complete a round trip. Clients are picked up at Lynden Pindling International Airport. If you need assistance with the passport process our staff will be happy to assist you.

Special Features: Very strong medical component with an emphasis on patient safety. The Avante Institute has been developed by a team of experienced and compassionate professionals who understand the complexities at the very core of addiction. We take an integrated, holistic approach to intensive entheogenic medicinal treatments for rapid drug and alcohol detoxification and spiritual health. Our goal is to ensure that each guest leaves having experienced a breakthrough of enlightenment and transformation to advance their lives, awaken to a higher-self and find happiness and inner peace. We include Short Term Dynamic Psychotherapy (ISTDP) and other modalities to prepare patients for Ibogaine treatment.

Accommodations & Amenities: Private deluxe and oceanfront rooms, personal therapists, spiritual meditation and yoga sessions, Ayurvedic massage, personal trainers, state-of-the-art fitness center. We prepare delicious and nutritional non-GMO meals. Daily menus include fresh “local catch” seafood dishes accompanied by locally grown organic vegetables. Supplemental Nutrients, Cold Pressed Juice Bar, Electrolyte Therapy, Amino Acid Vitamin & Mineral Blends and Protein Blasts.

All Avante Institute program activities are fully inclusive within our fixed-fee rates. No additional fees or costs for any activities will ever be added.
